Dated 01 February 2022

Dear Madams and Sirs, in peace and without malice aforethought,

We are not in your venue, yet we have urgent to communicate with your Office as a matter of urgency and of Southern African national security.

Notice & Order for the World Bank,

SA National Treasury and Others

To Cease & Desist in Southern Africa

Kindly Take Notice That in Southern Africa the authority and sovereignty is vested in the living people who have inherent inalienable God-given rights and for whom the fiction called government exists and acts. And, the will of we the South African people has already been firmly established in the 1955 Freedom Charter and the 1994 Reconstruction & Development Programme Policy Framework, both declaring: “The people shall govern!”

That the people for SA Jural Assembly, hereinafter “SAJurA”, and the United People’s Front coalitions, hereinafter “UPF”, are the only lawful fiduciaries and interim trustees on the land for the South African Republic Trust© and the Southern African people who are in fact the living creditors, priority claimants, beneficiaries and equal shareholders of South Africa, Republic of South Africa and all derivatives and assets thereof;

That our vision of an alternative society was, and still is, direct self-governance; however, instead of a lawful Trust and a people’s government by, for and of the people, since 1994, we were sold down the river by a cabal working for the global

elite; and, instead of a lawful Public Trust, foreign privately-owned companies were registered as SOUTH AFRICA, REPUBLIC OF SOUTH AFRICA and all derivatives thereof, hereinafter "RSA INC.", which are merely corporate services providers FRONTING as lawful "government" and designed to exploit the public for the private benefit of a select few global elites using our officials as their sock puppets; the same has been done to every other African State; read <https://giftoftruth.wordpress.com/rsa-inc/>

Maxim - It is a fraud to conceal a fraud.

That in the same deceitful way all lawful public government and public departments have been fraudulently corporatized and their assets "re-venued" and confiscated into a global interlocking corporate one world government, the "New World Order", hereinafter "NWO", controlled by a handful of criminal banksters, global elites and their Foundations from behind the corporate veil; while controlling our weak, greedy, power hungry puppet officials by means of bribery, corruption, extortion and blackmail so as to enter into unconscionable contracts without our prior and informed consent;

And, who then become complicit in unethical, immoral, unjust and unlawful activities so as to appropriate and pirate and plunder our peoples, our kingdoms, our Republics, our allodial lands, gold, precious minerals, resources, natural wealth, assets and accounts, all contrary to good ethics, morals and the law of nations.

Micah 6:10 *Are there yet the treasures of wickedness in the house of the wicked, and the scant measure that is abominable. 11 Shall I count them pure with the wicked balances, and with the bag of deceitful weights? 12 For the rich men thereof are full of violence, and the inhabitants thereof have spoken lies, and their tongue is deceitful in their mouth.*

That the Federal Reserve System is NOT a lawful permanent banking, but merely a Giant gold-for-debt-swop-confiscation Ponzi scheme; read <https://giftoftruth.wordpress.com/end-the-ded/>

Levitus 19:35 *You shall do no unrighteousness in judgment, in meteyard, in weight, or in measure. 36 Just balances, just weights, a just Ephah, and a just Hin shall you have: I am the Lord your God, which brought you out of the land of Egypt.*

And, the Federal Ponzi was fomented by "The Creature From Jekyll Island" that has infiltrated and corrupted all good systems of international and national governance; read <https://giftoftruth.wordpress.com/banksters/>

Matthew 21:12 *And Jesus went into the temple of God, and cast out all them that sold and bought in the Temple, and overthrew the tables of the money changers,*

and the seats of them that sold doves, 13 And said to them, It is written, My house shall be called the house of prayer, but you have made it a den of thieves.

That all Commercial and Central Banks as well as The World Bank Group create money out of thin air; that federal reserve currency is merely fiat, IOU's and debt having no intrinsic value whatsoever and, compounded by hypothecation of debt, securitization, usury, stock-market manipulation, price-fixing, hyperinflation and unsustainable interest formulas, is designed to collapse so as to enslave mankind under a totalitarian globalist elite; read <https://giftotruth.wordpress.com/banking/>

Deuteronomy 25:13 You shall not have in your bag diverse weights, a great, and a small. 14 You shall not have in your house diverse measures, a great, and a small. 15 But you shall have a perfect and just weight, a perfect and just measure shall thou have: that your days may be lengthened in the land which the Lord thy God gives you.

That all banks, BAR courts, corporate services providers fronting as “government” and multi-nationals are engaging in mass-scale commercial paper fraud under the Law Merchant, Uniform Commercial Code, Bills of Exchange & Promissory Notes by incorrect application of the aforementioned; and, by double-billing the public; and, syndication of commercial paper via backdoor clearinghouses is clear and simple proof of barratry (piracy) and contract fraud; read <https://giftotruth.wordpress.com/bills-of-exchange/>

Maxim - Faith must be kept; the simplicity of the law of nations must prevail. A rule applied to bills of exchange as a sort of sacred instruments. 3 Burrows, 1672; Story, Bills, § 15.

That Africa has been plundered by the Western Empires for the last 500 years via semantic deceit under color of law and trespass with force and fraud, amongst others, and this is still ongoing today via international agencies, banks, courts and major nations of the western empires, ultimately today all aforementioned are under the control of and for the benefit and agendas of the NWO global elites; read <https://giftotruth.wordpress.com/reports/>

Proverbs 16:11 A just weight and balance are the Lords: all the weights of the bag are his work.

That South African officials are in fact our hired help, our public servants and are merely administrators acting under limited commercial liability and entering into unconscionable contracts, such as funding the de-population Agenda – Plandemic, way beyond their limited commercial liability and capacity and jurisdiction and scope to contract; and, are acting neither with our permission nor our express and informed consent.

Maxim - The partner of my partner is not my partner.

Maxim - A contract founded on a base and unlawful consideration, or against good morals, is null.

Therefore, any and all bonds, contracts, loan agreements, securities, financial and commercial paper transactions made by or between RSA INC. agents and the World Bank Group agents, assigns and or agencies since 1994 and beyond, are hereby all declared null and void back to their beginnings for, amongst others, actionable fraud, bad faith, bad motive, barratry, breach of contract, cheat, colorable transactions, concealment, conversion, deceit, false pretenses, fraud, genocide, graft, gross misconduct, misdescription, misrepresentation, mischaracterization, piracy, pressganging, slavery, trespass with force and fraud, quasi trust fraud, unconscionable contracts and bargain, to name but a few, in breach of the original law of nations and natural law.

Proverbs 20:10 Diverse weights, and diverse measures, both of them are alike abomination to the Lord.

Take Further Notice That it is the common opinion and knowledge of the educated and informed people that the Covid Plandemic is in fact a NWO de-population Agenda, an all-out war against the people, with millions of casualties already, and that the jab is the bullet – a genocide bioweapon;
<https://www.newsfromtheperimeter.com/home/2022/1/24/mainstream-scientists-now-embracing-vaccine-depopulation-explanation-for-why-the-vaccines-are-killing-so-many-people>

Maxim – Common opinion is good authority in law.

That there are numerous court rulings across the world to these facts;

Take Final Notice That all Plandemic Agents and Agencies are hereby ordered to immediately cease and desist in any and all further Covid agendas, narratives, illegal and unlawful genocidal activity otherwise you can and may be held liable before a people's court for being complicit in these evil crimes against we the people in your own private capacity as an equal before a jury of peers.

Maxim – Evil is not presumed.

Mr. Dondo Mogajane acting as Director-General of the South African National Treasury is hereby ordered to reject and return any and all monies received from the World Bank Group as well as from any other source intended to fund this evil

genocide; such as the U.S.\$750 Million Boost for South Africa's Fight Against Covid-19 <https://allafrica.com/view/group/main/main/id/00080937.html>

Failure to comply can and will result in legal action being taken against you in your private capacity and you will be held liable for being complicit in fomenting crimes against the Southern African people before a people's court at natural law jurisdiction in accordance but not subject to Section 34 – Access to Courts and Section 39 - Interpretation of the Bill of Rights..

You are kindly requested to enter into peaceful negotiations to correct and remedy the system and to restore good, moral, ethical systems of governance as was originally intended by the founders;

Deuteronomy 16:19 Thou shalt not wrest judgement, thou shalt not respect persons, neither take a gift: for a gift does blind the eyes of the wise, and pervert the words of the righteous.

Govern yourselves accordingly; By Order.

Commanded, Declared, Ordered, Proclaimed, Wished and Recorded this 1st Day of February 2022, on the Land Southern Africa; South African Republic Trust.
